The EPS Compensation Plan Explained!

EPS (Elite Profit System) is a marketing and business training company catering to small business owners and entrepreneurs. We offer a large selection of business training products, services, live training events and exclusive masterminds to help you along your business journey.

Anyone can become a Standard Affiliate and promote the EPS and earn 100% commissions on Silver, Gold, Diamond, Elite and V.I.P Memberships.

As a Standard Affiliate you can generate commissions as high as **\$500, \$1,000, \$5000, \$10,000** and **\$25,000** from each client.

All successful entrepreneurs recognize the value of consistently updating their skills and knowledge. EPS affiliates are no different. We are in an industry that moves very fast, and in order to keep up we must keep evolving.

Standard Affiliate Memberships!

EPS offers 5 levels of Standard Affiliate Membership!

EPS Affiliate Types!

Regular Affiliate !

Standard Affiliate !

Refers to affiliates who have at least 2 active memberships (Basic & Silver). Regular affiliates get 100% commissions on all active level products.

Fully Positioned !

Refers to the investment in all 6 EPS partnership levels (Basic, Silver, Gold, Diamond, Elite & V.I.P)

Pass Ups !

Refers to the commissions a person gets when someone in their organization makes a sale but is NOT eligible to receive the commission on that sale (and so the commission is passed up)

Expired Affiliates!

**ALL YOU HAVE TO DO IS FIND ONE AND YOU
GET YOUR INITIAL PURCHASE BACK! SIMPLE!**

HOW THIS WORKS?

When you decide to become a member, you will first pay \$49 for the first 30 days, and then you'll be charged \$99/Month as Admin fee.

After you have successfully created your account, you will need to position yourself to receive commissions by upgrading to EPS standard affiliate memberships. (Silver, Gold, Diamond, Elite & V.I.P)

This money is used to drive traffic to our main site, which creates spillover into the company forced matrix.

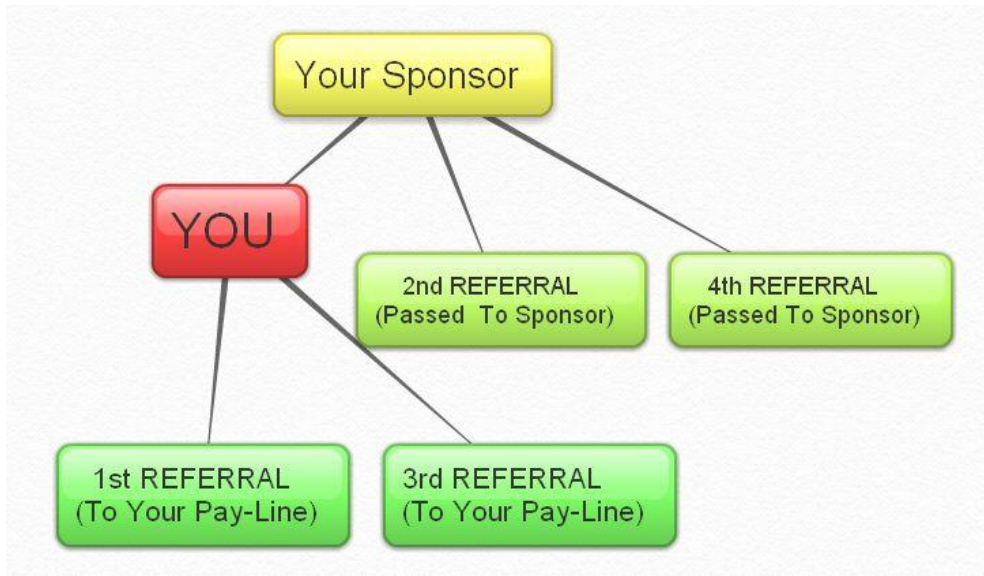

This includes:

- Your Website and hosting
- Back office
- Built in capture pages
- Done for You email follow up sequence
- Contact manager
- Track sales
- Analytic Link Tracker (for conversion rates)
- Access to our done for you marketing sources
- Unlimited Premium Support
- Access to our Mastermind FB & Skype groups
- ...and much more!

The EPS team and staff will always be there to support you. EPS goes above and beyond to help all members be part of the 3% that succeed in owning a home business.

EPS SILVER MEMBERSHIP!

The Silver Level has a Reverse 2 up comp plan and this is how it works:

When you make your first sale, you break even and you get your money back

Your 2nd sale passes up to your sponsor

Your 3rd sale, you make \$500 instantly, putting you in profit

Your 4th sale, gets passed up to your sponsor

Anything after the 5th, 6th, and so on FOREVER to infinity is yours to keep.

Remember not only are you making \$500 commissions on your personal sales, but you are also making \$500 instantly from everyone being passed up to you!

Let me explain to you how powerful this compensation plan is and how you can create a substantial income using the power of 4 by helping your team.

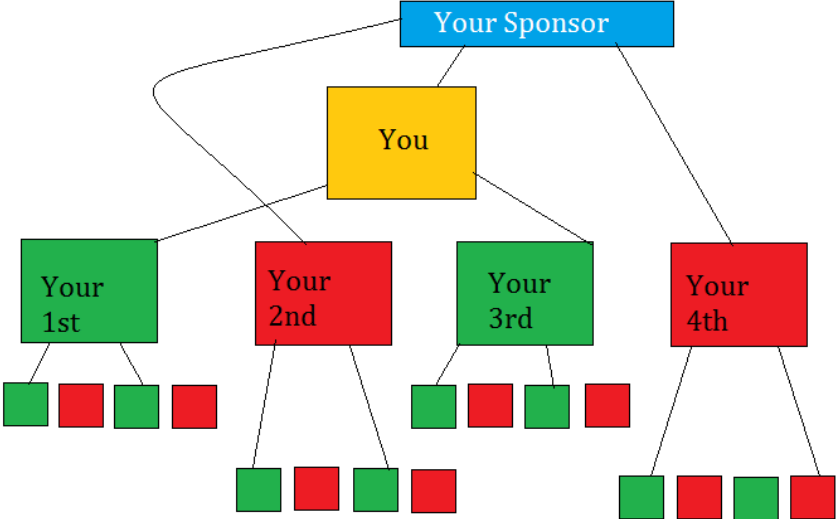

In your backoffice, you will have an option to create your own team build with the simple click of a button. This is a very unique and one of a kind concept created by the CEO to help you build your team.

This feature is optional but highly recommended.

The matrix will fill up left to right, creating spillover for everyone. Also to help you and your team, you're automatically placed in a company forced matrix.

Please note that you should not depend on the company matrix to build your business, this is just an added bonus to help you.

Let me explain why it is recommend to build deep, using the power of 4, rather than wide....

Out of the 4 sales, you will keep 2. When you help those two get their 4 sales, 2 will be passing 2 sales up to you, remember, each passup pays you \$500 each.

Now those 4 sales, that were passed up to you will pass up 2 each, which equals 8 new paylines.

Those 8 pass up 2 each and now you have 16 new paylines, directly under you.

16 passup 2 each and now you are at 32 new direct referrals.

32 creates 64 new direct referrals....and each of these referrals are you \$500 EACH!

You get the picture.... This goes on and on...to infinity!

Now you can see why we recommend to use the forced matrix option to help build your team, because remember, by helping everyone make money this allows you and your team to upgrade to the higher levels and this is where the REAL excitement starts...

EPS Gold, Diamond, Elite & V.I.P Membership!

When you upgrade into the Gold level, your referrals will follow you and do the same, now you will be receiving \$1,000 commissions and \$500 commissions simultaneously.

Once you are in profit, reinvest back into your business and upgrade to the next level, which is the diamond (\$5,000) level.

So now you're qualified to receive commissions on the Silver, Gold and Diamond levels all at the same time!

With your profit money, you will then reinvest back into your business and upgrade to the Elite Level (\$10,000). So now you are qualified to receive commissions on the Silver, Gold, Diamond AND Elite levels and this happens simultaneously. Once again, you will use your profits to upgrade into our Elite VIP Level (\$25,000) and all your direct referrals will follow you, paying you \$25,000 each.

Now you are qualified on all levels to receive 100% commissions.

Remember: Each upgrade was possible using your PROFITS, never out of pocket.

This is a follow your sponsor system, so all your direct referrals and all your passups from the Silver Level (\$500) which is also considered your direct referralswill follow you through all of the levels.

Now, Let's talk about the residual component to our high ticket program and how it works....This is a very unique concept and exists NOWHERE in the world except for in Elite Profit System

*Please note that this applies for the Gold, Diamond, Elite and Elite VIP levels only...

**Once you have upgraded to the gold level,
you will have a lifetime membership
to the products and services.**

As soon as you make your first sale on the gold level, a time clock in your back office will start counting down from 30 days all the way to 0. When your time clock hits 0, your membership is now expired and you are no longer able to receive commissions or have access to the products and services at the gold level.

There are 3 ways that your account can be reactivated!

- **Through your profit money:** Reserve \$1,000 from your profit money and when you are expired, just pay your sponsor or the next active sponsor, which the software will automatically track for you in your back office. Once you have successfully paid your gold level fee, the sponsor that you paid will grant you access which will automatically reactivate your account and again you will be qualified to receive commissions and have a lifetime membership to the products and services.
- **Upon making another sale:** The timeclock will again start counting back, from 30 days to 0. This process repeats itself over and over, creating residual income. What if you don't have money reserved? Just make a new sale. When making a new sale at the \$1,000 level the commissions will bypass you and go to the next active sponsor. When that sponsor gets paid, he will grant access to the new member that you referred and in doing so, the software automatically reactivates your membership again, giving you a lifetime membership to the products and services. Upon making another sale, the timeclock will again start counting back from 30 days to 0. This process repeats over and over, creating residual income.
- **From Team Effort:** Let's say that you don't have reserve money and you haven't made a new sale, then your account can be reactivated by your team members

Now let me explain how this works....

This is YOU, (expired)

You referred John (expired)

John referred Mary (expired)

And Mary referred Julie

Julie Upgraded to Gold

Now, let's say you, John, Mary and Julies' time has expired and Julie makes a sale, the commissions will bypass Julie and all sponsor above with expired time. The software will find the next active sponsor and once the active sponsor marks payment received, it will reactivate Julies, Marys, Johns and your account.

Once again, giving you a lifetime membership to the products and services. Upon making another sale, the timeclock will again start counting back from 30 days to 0. This process repeats over and over, creating residual income

Please note: Regardless of your status or your membership level, anyone you refer will always stay with you. Only commissions may be passed up during inactive status. Again, this only applies to the Gold, Diamond, Elite and Elite VIP Levels.

So now you can see the power of Elite Profit System!

We have the highest paying compensation plan, allowing you to earn the highest commissions with the least amount of people, than any other company.
